Principal's Message

Dear OIAA Families,

Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

We pray that all of our families had a joyful and restful spring break and that our students enjoyed precious time with their loved ones. We hope everyone returns renewed, refreshed, and ready for a strong and successful term ahead.

I would like to begin by sincerely thanking all of our parents for your continued partnership with our school. Your trust, encouragement, and support mean a great deal to us. Alhamdulillah Omar Ibn Al-Khattab Academy continues to move forward positively in many directions, and this progress would not be possible without the support of our families.

We are especially grateful for your generosity toward our new school project. Your support during our fundraising efforts has shown the strength, care, and commitment of this community. Allah says in the Qur'an: "The example of those who spend their wealth in the way of Allah is like a seed [of grain] which grows seven spikes; in each spike is a hundred grains" (Surah Al-Baqarah 2:261). We encourage our families to continue supporting this great effort for the benefit of this generation and generations to come. The Prophet ﷺ said: "When a person dies, all his deeds come to an end except three: ongoing charity, beneficial knowledge, or a righteous child who prays for him." What a beautiful opportunity it is to contribute to a project that nurtures both beneficial knowledge and righteous children.

I would also like to extend my heartfelt thanks to all parents who attended the Parent-Teacher Conferences. Your involvement is essential and deeply appreciated. March was a very busy and demanding month for our administrators, teachers, and students, as it was a month of assessments and important academic follow-up. We are grateful for your patience, cooperation, and support throughout this hectic period.

As we continue into this term, I would like to kindly remind parents of the importance of following up with their children at home, especially in reading. Reading is one of the strongest foundations for success in every subject. Please encourage your children to read regularly, complete their work carefully, and stay organized. We also strongly encourage parents to stay in regular contact with their children's teachers so that we can work together and remain on the same page. Allah reminds us: "And cooperate in righteousness and piety" (Surah Al-Ma'idah 5:2). This partnership between home and school is one of the greatest keys to student success.

This term will also be filled with many exciting events, including Kindergarten, Grade 6, and Grade 9 graduation celebrations, along with other important school activities. We will be reaching out to parents for support and volunteering, and we encourage all families to be active participants whenever possible. We strongly believe that parents are important stakeholders in our school community. Your presence, your time, and your service strengthen our school and enrich the experience of our students.

We also want to remind our families that we have an open-door policy. Please do not hesitate to bring your questions, concerns, or suggestions directly to us. We are always happy to listen, support, and work together for the good of our children.

Finally, I would like to express sincere appreciation to all the parents who gave their time and effort during our Eid event and helped bring smiles to the faces of our students. May Allah reward you abundantly for your kindness and service. We truly thank you for everything you do for our school community. May Allah place barakah in our children, our families, and our school, and may He continue to unite us in the service of faith, learning, and excellence.

Warm regards,

Dr. Mohamed Bush

Eid Mubarak!

As we enter the blessed days of Shawwal at Omar Ibn Al-Khattab Academy, we mark the joyous occasion of Eid al-Fitr with hearts full of gratitude—Alhamdulillah. After a month of fasting, reflection, and spiritual growth, we celebrate the completion of Ramadan with a renewed sense of faith, unity, and purpose.

Eid is a time of joy, generosity, and togetherness. It is an opportunity to strengthen our bonds with family, friends, and our community, while continuing to uphold the values of compassion, kindness, and gratitude that Ramadan has instilled in us. We are incredibly proud of our students for their dedication, resilience, and commitment throughout the month, both in their prayers and their learning.

As we move forward, we encourage our students to carry the spirit of Ramadan with them—continuing in good character, sincerity, and remembrance of Allah ﷻ in all that they do.

May Allah accept our fasting, prayers, and good deeds, and allow us to witness many more Ramadan in good health and iman. May He fill your homes with joy, peace, and barakah.

Virtue of the Month Assembly

In April, we held a school-wide assembly centered on the virtue of Cooperation. Students participated in engaging discussions about the importance of working together, supporting one another, and building a strong, unified community.

Students also contributed by designing and displaying posters that promoted messages of unity, collaboration, and helping one another succeed. These visual reminders reinforced the idea that when we work together, we achieve more.

The assembly served as a meaningful reminder that cooperation is essential not only for academic success but also for nurturing positive relationships and a supportive school environment.
